

Carrying the Message Into Correctional Facilities

AM I RESPONSIBLE?

Some alcoholics aren't lucky enough to be able to go to meetings when they want to.

They are in prison.

They have limited contact with the shared experience that our fellowship offers through its meetings.

Email us or ask your GSR

Connect@Correctionsnhaastraffordcounty.com

with your contact information and we will connect you with the corrections committee members

REMEMBER: When anyone, anywhere reaches out for help,
I want the hand of A.A. always to be there.

And for that I am responsible
